Dear Beechcraft Heritage Museum Member and/or Beech Aero Club Member,

We are pleased to welcome the Beech Aero Club group of "Baby Beeches" to the Beechcraft Heritage Museum for a Celebration event on April 18-20. These folks are enthusiasts of the Beechcraft models - Musketeer, Sport, Super, Sundowner, Sierra, Skipper and Duchess.

Prior to this event, Robert Clark's Musketeer will be donated to the museum. A group from the Beech Aero Club has volunteered to receive this airplane at the museum and prepare it for exhibit. The official unveiling of this exhibit will occur during the Celebration.

This event is scheduled to begin at the conclusion of our Spring Board of Trustees meeting where Brad Mitchell, the Secretary/Treasurer, and Mike Rellihan, the Technical Advisor of the Beech Aero Club have been nominated for election to the Beechcraft Heritage Museum Board of Trustees.

At approximately 4:00 PM on Friday afternoon, guided tours of the museum will start. In addition, Old Hangar #7 will be open for hospitality time with beverages and popcorn. Dinner will be served in the Cianchette Hangar around 6:00 PM.

Saturday morning coffee and donuts will be available at the museum starting at 8:00 AM. We will depart from the museum at 8:30 for the short twelve (12) miles ride to Lynchburg, Tennessee. There, we will take a tour of Jack Daniels Distillery. **WARNING:** Do not breathe too deeply in certain areas of the distillery. It will be too early in the morning for things like that.

We are due at Miss Bobo's Boarding House at 11:00 AM for a great lunch served family style. Be ready for some of the best country cooking you have ever tasted. I made these reservations back in November to ensure we would have a seat at the table on this date. This is not a joke. Several years ago, I made a phone call to Miss. Bobo's in August for a reservation the following April. The message on the answering machine said, and I quote, "Thank you for calling Miss. Bobo's. If you are calling for a Saturday reservation, we are sold out until after the first of the year." End of quote. You will understand how this could be true after you experience Miss Bobo's.

The cost for lunch is \$21.00 including tax. It is necessary to include payment for this with your Registration. We have to make a non refundable 50% deposit no later than March 28. I made the reservations for 60 people. **NOTE:** When we make the deposit, the number will be adjusted to only those who have registered as of March 28. All remaining seats of the original 60 will be immediately forfeited and resold. We will not be able to increase the number of people in our group after the deposit is made.

After lunch, we plan to spend up to an hour touring old downtown Lynchburg. This is a real step back in time with various shops along the town square surrounding the old courthouse.

Once back at the Museum, we will have a presentation of the Museum's History, Museum Concepts & Future Plans. There is a lot more to come in the future. You will then have a chance to do more personal touring of the Museum at your own pace.

And as usual, Old Hangar #7 will be open again around 4:00 PM for your hospitality pleasure, with dinner served at 6:00 PM.

We hope you will come and participate in the Welcome the Baby Beeches Celebration and make the new additions to our family feel at home.

I hope to see you there!
